**CREDIT TERMS AND AGREEMENT:**

Terms of Credit: Past due amounts are subject to a finance charge of 1-1/2% per month or the maximum rate allowed by State Law. If collection of this account becomes necessary, I/We agree to pay all costs of collection, including, but not limited to reasonable attorney's fees and cost of suit incurred. Returned materials will be subject to a restocking charge. Returned checks are subject to return check fees. When Credit is extended, it is contingent upon prompt payment, according to the agreed upon terms and will be restricted by a credit limit – to be determined by the Credit Department. Open credit may be withdrawn at any time. All credit applications are subject to periodic review and will require updates. Credit privileges can be withdrawn at any time without notification if the account goes past due. Any litigation concerning this contract may be commenced, at the sole discretion of credit grantor, in any local, state or federal court within the state of Texas. Customer agrees to pay a time-price differential at a percentage rate of 25% of the total of the delinquent invoices when the invoices become past due. These charges are construed as time-price differentials and therefore these charges are not to be considered interest.

Checks that are marked "payment in full" are invalid unless sent to a specific person as follows: Accounts Payable at E.H. Teasley & Co., Inc. and Inkjet Printing International, LLC at 4443 Simonton Road, Dallas, TX 75244. We reserve the right to return your check within 90 days of cashing it and under no circumstances will a payment-in-full or in-full settlement check be allowed except pursuant to a separate written agreement, assuming that payment is less than the invoice and time-price differential amounts set forth on the statements. Otherwise, it will be presumed that the full-payment check was tendered in bad faith, and the check will not be accepted as full settlement on an account.

Any claims of errors or discrepancies in the billings must be submitted to our office in writing within 5 days of receiving the product otherwise, all such objections are deemed waived and the account will become stated.

This is a guaranty of payment and does not require an independent collection against the business. Should any action be brought, the guarantor may be sued simultaneously with the business entity.

Applicant's signature attests financial responsibility, ability and willingness to pay our invoices in accordance with our terms. The information on this application is for the purpose of attaining credit and is warranted to be true. I/We understand that approval for credit is based on a complete review of all information submitted and I/We authorize and release approval for you to investigate all bank and trade references. The undersigned officer warrants that he or she is authorized to execute this application. The parties agree a facsimile copy of signature is the same as original.
